LOUMA
BAKERY

MENU

We make everything in-house, from dough to filling, in our open-plan kitchen.

Our menu changes with the seasons, as we strive to use fresh ingredients as much as possible, however you'll always find a few Louma classics on our counter.

Alongside the pastry case, you'll find salads and sandwiches for lunch, granola to take home, and a full coffee, matcha, and tea bar.

We're a small-batch bakery and sometimes the good stuff goes early. We recommend coming before 10 AM for the widest selection.
